i2N

i2N are an established IT supplier, providing strategic solutions for over 20 years to government with a strong focus on Justice and Security. Having delivered systems that are used across England and Wales (including the NPS, CRCs, Prisons, 150 local authorities), we pride ourselves on getting to know you and your business, to meet increasing complex needs within government. Protecting your data is an ever-growing issue in today's modern world. That's why Security is at the heart of everything we do. We are ISO:27001 and Cyber Essentials Plus certified, with a dedicated Secure Operations Centre to ensure security and safety.
